# JOIN THE UNITED NATIONS GOLF CLUB

We are a dynamic group of international golfers, consisting of serving and retired staff of International Organizations in Vienna, the diplomatic community more broadly, as well as their families. Everyone from first-time beginners to single-digit handicappers is welcome!

The UNGC tournaments are a highlight for the Austrian golf community and include interesting prizes, tombolas, wine tastings, as well as dinners and other social events. Learn, laugh, and play with us, no matter the weather, no matter the circumstances!
