2015-02-18 – 1st Wine Seminar - 'Getting to know your varietals' – (Beginner Level)

Aldo Giovanni Palimeri is wine specialist that will give AIOV members a Wine tour starting off with Commissary wines & "Getting to know your varietals", with other themes, if we like...

- "We would sample typical wines from famous regions and identify the style of wine they try to produce and why. E.g New Zealand Sauvignon Blanc, Chablis, Rioja, Bordeaux Red, Californian Zinfandel, Sancerre, South American Carmenere etc etc.
- With each theme we would be looking at tasting around 10 different wines, Champagne, Red, White and maybe Rose. The 'wine scoring' concept will be tailored into the themes, as well as additional food pairing suggestions. I would create a tasting note template so that everyone can record what wine they have tasted and make notes on the appearance, nose, palate, price, food suggestions and additional comments."
