

# VIC Hiking and Mountaineering Club

## **Join us, enjoy nature, get fit and make friends Discover Austria and Europe**

The club was formed by a group of outdoors enthusiasts in 1971. Our activities range from walks in the Vienna Woods to hiking in the high mountains, cycling tours in summer to snow shoe hiking and cross country skiing in winter. In summer we also have mid-week evening hikes that invariably end in a Heurigen or Gasthaus.

Our programme also includes weekend and longer trips to remote mountain regions and even abroad.

Our hike leaders are volunteers from various countries with a broad range of interests and experience. We are always looking for new leaders, especially people who are willing to lead easy hikes in the vicinity of Vienna, and young people, who might be interested in more ambitious activities.

Hiking is fun, and a great way to meet people, get fit and see places that you would not otherwise venture to.
