

# Summer open water swimming

Now that summer is here, the **VIC Swimming Club** is organising weekly open water swimming sessions, open to all. Weather permitting, this will take place on:

- **Wednesdays** lunchtime; meet at **12:00**.
- **Fridays** after work; meet at **16:00**.

For now, swimming will be in **Kaiserwasser**, which is the body of water on the other side of Wagramerstrasse, opposite the VIC. Once the Donau water quality improves, following the recent floods, some of the sessions will be moved to the **Neue Donau** (between the VIC and Donauinsel).

Meet at the edge of the fountain inside the VIC, in front of Gate 1 and the café. You can use the changing rooms in F-9 before, and after for showers. Please do not bring any valuables, and by all mean, do bring a wetsuit if you think you might be cold.

You can check the water quality and temperature on our website, under the *Locations* section:
