Dear all,

Sportshop eybl currently offers runners-shirts with individual logos to be printed upon.

I thought since we're such a fantastic club it would be nice to have a uniform VIC Runners Shirt (again;-)

We are talking about a short sleeve funktionsshirt in lime (which is a similar green to last year's Vienna-night-run shirt) with our VIC Runners logo on the back, round neck for the men (S-XXL) and v-neck for the ladies (XS-XXL).

If we order 10 or more it will cost 19 euros each.

Pls. let me know if you are interested and I'll organize purchase and distribution (would also be nice to wear at the IAG, to show the Biarritzies that we are the Vienna Gang;-)
