W2C2 outing on New Danube

As you may imagine crocodiles care for their environment and collecting "trash" can become a very successful adventure... we will offer Thursday 20210812&18 a Kayak outing (not a class) on the New Danube to collect more of these rubbish:

- the club will subsidize the boat and gear rental we only ask you for a 4 euros participation for 2021 W2C2 members and 5 euros for non-Members.
- please note that this is not a class for absolute beginners (no instructor) but being able to paddle is sufficient to join,

Sign-up for the Cleaning outing registration details can be requested via registration@viennacrocodiles.org.

We are looking forward to seeing you soon on the river, this is not the only thing we do but this initiative is the occasion to spend more time paddling while doing something for the Nature that hosts our recreation playground.

Kindly note that the 3G testing rules apply for all our venues, and that participation will not be granted if the absence of a valid record.

thanks for your understanding
